STITCH RETREAT

29 September - 2 October 2017

Enjoy a relaxing long weekend in
the beautiful Dorset countryside for
a fun filled weekend of design and
stitching and embrace some devoted
stitching time with new and old
friends

RSN-trained tutors Angela Bishop and Sarah Homfray invite you to the tranquil Kingcombe centre in Dorset for a fun-filled few days of design and stitching.

The retreat is structured for you to create your own bespoke embroidered, illuminated monogram using beautiful metallic threads, embroidery threads and embellishments. We will assist you with the design, choosing suitable embroidery techniques and ideas to suit all abilities, from those new to embroidery to experienced stitchers, all are welcome.

Techniques covered are creating and applying a design, surface stitching, silk shading, gold work and stump work.

We are also offering private tuition outside class time should you require help with a personal project you are working on.

There will be a shop available at different times over the weekend to purchase a variety of embroidery supplies and kits for you to take home.
